

**Ravenna City Council Public Health and Safety Committee
Meeting Minutes
November 12, 2019**

The Public Health and Safety Committee Meeting was called to order at 5:30 P.M. by Andrew Kluge. Present were: Present were: Bruce Ribelin, Rob Kairis, Paul Moskun, Amy Michael and Matt Harper. Also attending the meeting were Finance Director, Kimble Cecora; City Engineer, Bob Finney; Fire Chief Geoff Cleveland; Christina West of 732 Eastland Avenue, Ravenna, Ohio; Tim Calfee of 910 Murray Avenue, Ravenna, Ohio; Larry Silenius of 123 North Walnut Street, Ravenna, Ohio.

Mr. Kluge asked Mr. Cecora if the new Charlestown contract is for five years.

Mr. Cecora said that it is a five year renewal for the Charlestown EMS contract. Currently the City has a provider service with Charlestown Township. It was previously a three year contract and it is based on the current prevailing retail rates. The City bills Charlestown after the Life Force Management has exhausted all of its resources to collect. Charlestown then pays the City the full monies due less any cash payments made. They'd like to structure it much like it has been but for five years. There is an escalator clause that if the City raises its EMS rates, Charlestown will be notified and the contract would be amended accordingly.

There being no questions or comments, it was decided by those present that the issue would be referred to the Committee of the Whole for further action.

There being no further business for discussion, the meeting adjourned at 5:35 P.M.
