

STREETS & SIDEWALKS COMMITTEE MEETING MINUTES
November 12, 2019

The November 12, 2019 meeting of the Ravenna City Streets & Sidewalks Committee was called to order at 5:35 P.M. by Chairman, Matt Harper. Present were: Paul Moskun, Rob Kairis, Bruce Ribelin, and Amy Michael. Also attending the meeting were Finance Director, Kimble Cecora; Fire Chief Geoffrey Cleveland; City Engineer, Bob Finney; Larry Silenius of 123 North Walnut Street, Ravenna, Ohio; Dr. Tim Calfee of 910 Murray Avenue, Ravenna, Ohio and Christina West of 732 Eastland Avenue, Ravenna, Ohio.

Mr. Harper said the one item on the agenda is the ODOT salt shed and land purchase.

Mr. Harper noted they had been talking with ODOT and made an offer of \$150,000.00. Apparently the State is not interested in taking payments but are agreeable to the dollar amount. It would be a lump sum payment of \$100,000.00 from the Capital Improvement Fund and \$50,000.00 for the salt would come out of the Street Department salt budget.

Mr. Ribelin asked if the land will need to be cleaned up or have a Phase I done on it.

Mr. Finney said the land received a no further action from the EPA. The only restriction is that it has to be used for industrial commercial which is what it is zoned for anyway.

Mr. Cecora said that they would have been looking at \$200,000.00 minimum to build a new salt shed and probably another \$50,000.00 worth of salt. They are still money ahead.

There being no further questions or comments, it was the decision of those present that the issue would move forward to Committee of the Whole for further action.

There being no further business before the Committee, the meeting adjourned at 5:40 P.M.

ATTEST:

Clerk of Council
