The Streets & Sidewalks Committee Meeting was called to order at 6:22 P.M. by Chairperson, Matt Harper.

The only discussion item was an ODOT Agreement.

Mr. Harper stated that the state had some extra money this year and so the City would like to enter into an agreement with ODOT to pave Diamond and Mill St. The project was not slated until 2023, but with the extra money from ODOT the paving will be able to be done the spring of 2021. The state will pay up to \$268,000 of the estimated \$408,000 project cost leaving the City with a balance of roughly \$140,000. Mr. Harper added that it is a great opportunity to get some roads paved that are in dire need of it, and that there will be ADA ramps installed at the curbs. The paving will go from Summit to Mill, and then from Mill to Sycamore.

- The item was moved forward

There being no further business for discussion, the meeting adjourned at 6:25 P.M.
