**The only item was to appropriate \$200,000 of RLF Funds.**

Mayor Seman stated that the item was to appropriate \$200,000 out of RLF Funds, which would be from the UDAG and Section 17 Unrestricted Funds. It would be \$100,000 from each fund and would not be recaptured. Currently the item is just to appropriate the funds, but there could be a resolution in the future to purchase property and so Mayor Seman stated that the City must be prepared. The funds will be considered a grant and not a loan.

Ms. Wood stated that the City needs to put forth every effort to help make the project happen.
