The Streets & Sidewalks Committee Meeting was called to order at 6:25 P.M. by Chairperson, Matt Harper.

The first item was Meridian St. parking lot cost increase.

Mr. Harper explained that the Meridian St. parking lot was tabled last month due to the project cost coming in at over a 10% difference.

Mr. Finney stated that the project needs to have an additional \$30,000 added since the second round of bids came in higher. He said that Perrin Asphalt is the winning bid, and the City will need to sign the contract, adding that \$95,000 has already been appropriated for the project. Mr. Finney stated that the cost of the trees will be donated but the City will have to cover those costs upfront and will then get reimbursed. He said that the extra \$30,000 will come out of the paving levy, but it will not affect any current projects.

- The item was moved forward

The second item was S. Chestnut and Riddle Ave. paving.

Mr. Harper stated that the money is appropriated, and the item is to allow the Mayor to sign a contract with the best, low bidder. He explained that the City would incur 20% of the project cost at \$128,000, and the remainder of the project cost would be paid for by ODOT.

- The item was moved forward

There being no further business for discussion, the meeting adjourned at 6:32 P.M.
