Utility Committee Meeting was called to order at 7:17 P.M. by Chairperson, Paul Moskun.

The first item was a sanitary sewer easement.

Mr. Moskun stated that the item is for the Harner property on North Chestnut St. near LG Chem. Mr. Finney explained that the sewer easement is to turn the GE sanitary line into a city sewer lateral that the city will maintain. Due to the recent occupation of multiple businesses on the same sewer line, the decision is deemed necessary since separate owned businesses are not permitted to use the same sewer lateral.

- The item was moved forward

There being no further business for discussion, the meeting adjourned at 7:24 P.M.
