INSTRUCTIONS AND NARRATIVE FOR COMPLETION OF FORM APPLICATION

This Commission considers and applies the ordinances of the City of Ravenna and the laws of the State of Ohio pertaining to zoning and building matters in its purview in the interest of the promotion of the health, safety, convenience, comfort, prosperity, and general welfare of the public. In order to expedite the disposition of your application, reference should be made to the appropriate terms and conditions required for compliance by the City ordinances, especially for preliminary and final site plan reviews, and surveys and plats. Ravenna City Annex is located at 530 N. Freedom Street, Ravenna. Please feel free to direct any inquiries as to your application to the City Engineer (330-296-5666), the Planning Commission Chairman (330-296-3864), the Service Director (330-296-6326), or any Commission member.

This Commission does not grant variances but applies the law.

For purposes of the completion of line 3 on the front of the application, please refer to the following:

1. Subdivision within City limits.
2. Subdivision outside City limits, within three miles of City limits.
3. Site plan review for any building other than a single-family residence or garage.
4. Waiver of planning requirement.
5. Issuance of conditional use certificate.
6. Change of non-conforming use pursuant to Section 501 of the Zoning Code.
7. Planned Unit Development.
8. Rezoning (or zoning) of property.
9. Dedication or vacation of public right-of-way.
10. Other (please explain).

Items 4, 8, and 9 are subject to final review and approval by the City of Ravenna City Council.

A preliminary site plan proposal must be drawn to scale, including the following minimum information:

- a. Tract designation according to real estate records.
- b. Names of owners of property.
- c. Names of owners of adjacent properties.
- d. Present zoning and variances, if any, on this and adjacent parcels (use, area, and height districts).
- e. Dimensions and area of the parcel.
- f. Roads, rights-of-way, easements, existing buildings and neighboring buildings and structures.
- g. The locations, dimensions, and heights of all proposed buildings and structures.
- h. Present and proposed ingress and egress to and from site.
- i. Drainage study.
- j. Parking areas and open space.

For a list of required information for the final site plan upon which this Commission will act, request a list from the Commission Secretary.
